Searched weathervane scallops at Hawksworth

Georgian Revival

The jewel in the crown of the newly renovated Rosewood Hotel Georgia, Hawksworth Restaurant (page 114) celebrates the diversity of contemporary Canadian cuisine, with keen attention to fresh seasonal ingredients. Three years in the planning, and the year's most anticipated opening, chef David Hawksworth's four contrasting rooms delight with local specialties such as seared weathervane scallops, Dungeness crab salad, grilled sturgeon with ham hock, and Yarrow Meadows duck breast.
