

## Grand Opening

For every wedding countless decisions are made, from the guest list and bridal party to the flowers and “the dress.” When it comes to the menu and venue, however, brides and grooms seeking world-class food and a chic, historic setting need not look further than **Hawksworth Restaurant**. The celebrated opening of Hawksworth Restaurant - located in the legendary Rosewood Hotel Georgia in the heart of downtown Vancouver - was the realization of a personal dream for David Hawksworth, one of Canada’s foremost masters of cuisine. Embracing contemporary Canadian cuisine, he seeks to set forth a culinary legacy rooted in regional produce while honouring the cultural diversity of Vancouver. Approachable menus reflect seasonality and spontaneity while demonstrating the highly skilled technique and relentless drive for perfection that has become Hawksworth’s trademark.

Fusing together an illustrious past with a radiant future, Hawksworth Restaurant is grown up and glamorous, yet relaxed and welcoming. Whether it’s a sophisticated rehearsal or engagement dinner, a ladies’ breakfast or lunch, or a romantic meal for two prior to the big day, the restaurant delivers an array of memorable wedding celebrations.

The elegant private dining room, overlooking the Vancouver Art Gallery’s fountains, is one of the city’s most iconic and exceptional private dining and event environments. Taking its design inspiration from the 1920’s, the dramatic chandeliers and ornate heritage features create an elegant private dining room perfect for intimate gatherings. The York Room can accommodate 60 for a seated dinner, and 110 for a standing reception. Also showcasing an intimate bar area and two separate dining rooms, Hawksworth Restaurant was designed to reflect the vibrancy and quality of its cuisine.
