

CHEF HAWKSWORTH & FRIENDS DINNER

In support of Covenant House, join us at Hawksworth Restaurant on September 17th for an unparalleled collaborative culinary experience, the Chef Hawksworth & Friends Dinner. Working with local chefs Stephanie Noël (Cheffanie, co-author of Hawksworth The Cookbook), Adam Pegg (La Quercia), and Yuji Otsuka (Yuji's from Japan), this well-thought-out and carefully curated seven-course menu will showcase and embrace each chef's skillful techniques, whilst celebrating the cultural diversity of Vancouver and supporting a local charitable foundation. Partial proceeds from this event will go towards Covenant House, an organization dedicated to providing shelter, support, and opportunities for young people in need. Create meaningful memories and experience a culinary journey in our elegant dining room in support of a worthy cause, by joining us for this one night only event.
